

Report to the Kentucky Library Association Board
Resource Sharing Round Table
17 November 2012
Lexington, Kentucky

Round Table goals for 2012-13 are as follows:

- Publicize purpose and goals of the Round Table to Kentucky resource sharing/access services librarians and staff, for example:
 - Regular submissions to *In-fo-cus* and other newsletters
 - "Access Services in Kentucky Libraries" Facebook page
- Enhance communication among resource sharing librarians and staff across the state
- Establish Round Table leadership team
- Investigate sponsoring presentations on new technologies (i.e., Atlas e-reserves, special collections circulation systems)
- Sponsor or co-sponsor a preconference or program for the KLA Annual Conference

The Facebook page has been updated and all current members of the Round Table have been invited to join. Additional invitations are being sent to other resource sharing librarians and staff around the state. Also, I have contacted Anne Abate, who is establishing several discussion lists for support staff in the areas of reference, circulation, ILL, etc. on behalf of SAALCK. Although the audience may be somewhat limited in these lists, they may be a useful venue for communication and identification of new members.

In addition, for anyone attending ALA Midwinter, RUSA STARS is again offering a FREE "Everything You Always Wanted to Know about ILL" workshop. This workshop will take place from 8:30-12:30 on Friday, January 25, 2013. The workshop will be held at the University of Washington's Odegaard Library. There is no charge to attend and refreshments will be served. You do not need to be an ALA member or be registered for ALA Midwinter in order to attend this workshop. RUSA STARS offers these sessions regularly and they are excellent.

Respectfully submitted,

Jennifer Bartlett
Chair, Resource Sharing Round Table
